CSAN Sponsorship

Sponsorship of the Charter School Association of Nevada is solely a marketing relationship - it is financial support of the Association in exchange for the Association providing information about the corporate entity and its products or services to charter schools in Nevada.

Sponsorship of CSAN is beneficial for businesses, consultants, vendors, and individuals who work with or want to work with the Nevada charter school community - it provides you with the opportunity to demonstrate your commitment to the charter school community, as well as market your services and expand your professional connections.

As a sponsor, you'll receive benefits to:

- help you market your products and services to school decision-makers (like a listing in our Sponsors Directory),
- enjoy opportunities for professional networking with charter school leaders (like our Quarterly Meetings/Conferences/Workshops),
- become familiar with the latest trends and developments in Nevada's charter schools (through e-communications and informational sessions), and demonstrate your support for the charter school community.

To Become a Corporate Sponsor:

Please contact our Executive Director, Victor Salcido, director@nvcharterassociation.org or to <https://www.nevadacharters.info/>, click "Join Us" and "Corporate Sponsorship." Once you fill out the provided form, we will review your application and then issue you an invoice for payment if you meet our criteria. Membership starts the day we receive your payment and must be renewed annually.
